This architectural floor plan illustrates the layout of a residential building, likely a penthouse or top floor unit. The plan includes several rooms such as a living room, dining room, kitchen, and multiple bedrooms. Key dimensions are indicated throughout the plan, including room widths and depths. Two specific units are highlighted with red boxes and labeled "2041" and "2050". The plan also features a blue line representing a boundary or walkway. Handwritten text in Hebrew, such as "גובל מגרש" (boundary of plot) and "מגרש פרטי" (private plot), is present in some areas. A blue square icon with a person symbol is located near the center of the plan.

The diagram consists of three separate square boxes arranged horizontally. The first box on the left contains a circle in its center. The second box in the middle contains two diagonal lines forming an 'X' shape. The third box on the right contains two vertical lines. To the left of the first box, the text 'מכונת כביסה / מיבש כבינה' is written. To the right of the second box, the text 'כיריים' is written. To the right of the third box, the text 'מקרר' is written.

This architectural cross-section diagram illustrates the layout of a building across seven floors. The floors are labeled on the left side: 1.º, 2.º, 3.º, 4.º, 5.º, and 7.º. The diagram shows a central vertical stack of rooms, likely bedrooms, with a bathroom on the 2.º floor. To the right of this central stack is a larger room, possibly a living area or kitchen, which includes a dining table and chairs. On the ground floor (1.º), there is a shaded area representing an entrance or porch. The top floor (7.º) features a hatched patterned roof. The entire structure is enclosed by a thick black outline.
